REVIEW REPORT ON INTERIM CONSOLIDATED FINANCIAL INFORMATION

The Board of Directors
Al Mazaya Holding Company K.S.C. (Closed)
State of Kuwait

Introduction

We have reviewed the accompanying interim condensed consolidated balance sheet of Al Mazaya Holding Company K.S.C. (Closed) (the Parent Company) and subsidiaries (the Group) as of March 31, 2008 and the related interim condensed consolidated statements of income, changes in equity and cash flows for the three months period then ended. The Parent Company's management is responsible for the preparation and presentation of this interim consolidated financial information in accordance with International Accounting Standard 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on this interim consolidated financial information based on our review.

We did not review the interim financial information of the subsidiary, First Dubai Real Estate Development Company K.S.C. (Closed), whose total assets and revenues constitute 24.55% and 24.21% of the respective consolidated totals. The financial information of the above mentioned subsidiary was reviewed by another auditor, whose report was provided to us and our conclusion in so far as it relates to the amounts included in the interim consolidated financial information related to this subsidiary is based solely on the report of the other auditor.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review and the report of the other auditor, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34, 'Interim Financial Reporting'.

Report on other Legal and Regulatory Requirements

Furthermore, the interim consolidated financial information is in agreement with the books of account. We further report that, to the best of our knowledge and belief, no violations of the Commercial Companies' Law of 1960, as amended, or of the Articles of Association of the Parent Company have occurred during the period ended March 31, 2008 that might have had a material effect on the business of the Parent Company or on its financial position.
