Independent Auditors' Report on Review of Interim Condensed Consolidated Financial Information

The Board of Directors
Al Mazaya Holding Company K.S.C.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Al Mazaya Holding Company K.S.C. ("the Company") and its subsidiaries (together referred to as "the Group") at 30 June 2011 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the six-month period then ended. Management is responsible for the preparation and fair presentation of this interim condensed financial information in accordance with International Financial Reporting Standard, IAS 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review. Financial statements for the year ended 31 December 2010 were audited by another auditor whose report dated 30 March 2011 expressed an unqualified opinion.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim condensed consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

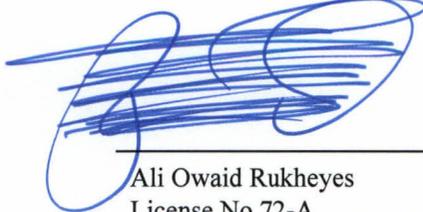

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34.

Report on Other Legal and Regulatory Requirements

Furthermore, based on our review, the accompanying interim condensed consolidated financial information is in agreement with the accounting records of the Parent Company. We further report that, to the best of our knowledge and belief, no violations of the Commercial Companies Law of 1960, as amended, nor of the Articles of Association of the Parent Company have occurred during the six-month period ended 30 June 2011 that might have a material effect on the Group's business activities or its financial position.

4. JUDGEMENTS AND ESTIMATES

The preparation of interim condensed consolidated financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgements made by management in applying the Group’s accounting policies and the key sources of estimation uncertainty were the same as those that applied to the most recent annual audited financial statements for the year ended 31 December 2010.
