## **REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF AL MAZAYA HOLDING COMPANY K.S.C.**

### *Introduction*

We have reviewed the accompanying interim condensed consolidated statement of financial position of Al Mazaya Holding Company K.S.C. (Closed) (the “Parent Company”) and its subsidiaries (collectively the “Group”) as at 30 June 2012, and the interim condensed consolidated statement of income and the interim condensed consolidated statement of comprehensive income for the three month and six month periods then ended, and the interim condensed consolidated statement of changes in equity and the interim condensed consolidated statement of cash flows for the six month period then ended. The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard (IAS): 34 Interim Financial Reporting (“IAS 34”). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

The consolidated financial statements of the Group for the year ended 31 December 2011 and the interim condensed consolidated financial information for the period ended 30 June 2011 were audited/reviewed by another auditor who expressed an unmodified opinion/conclusion on those statements/information on 28 March 2012 and 14 August 2011 respectively.

### *Scope of Review*

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity.” A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

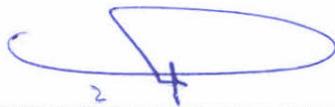

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34.

**REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED  
FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF AL MAZAYA  
HOLDING COMPANY K.S.C.**

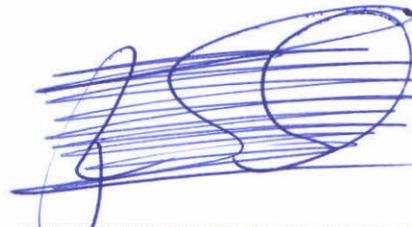

**Report on Other Legal and Regulatory Requirements**

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of the Parent Company. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Commercial Companies Law of 1960, as amended, or of the articles of association of the Parent Company that have occurred during the six month period ended 30 June 2012 that might have had a material effect on the business of the Parent Company or on its financial position.

### 3 RESTATEMENT

During the year ended 31 December 2011, the Group's management discovered that the method of calculating the income based on percentage of completion method from certain properties under development, classified as held for trading was incorrect. This was based on certain items specified in the contracts for the sale of these properties and laws governing real estate in the jurisdiction where the Group builds and sells these properties. These regulations indicate that the transfer of risks and rewards associated with ownership of properties may cease due to cancellation of sale contracts to customers. Accordingly, in accordance with International Accounting Standards (IAS) 8 – "Accounting Policies, Changes in Accounting Estimates and Errors", the Group reversed the revenues recognised based on percentage of completion method and recorded revenue using completed contract basis in the previous years in order to make the revenue recognition consistent with the transfer of risk and rewards to the buyer and rectified the error in compliance with IAS 18 "Revenue". Consequently the three and six months figures for the periods ended 31 March 2011 and 30 June 2011 respectively have been restated.
